Brooklyn, July 4.—Continuing their work of clinching first place, the Giants to-day defeated the Dodgers in two games, 5 to 2 and 8 to 5. The batting of the league leaders was the feature of both contests. Not one of the quartet of twirlers sent against them could step the series of safe swats that came in practically every inning.
The first game was a clear walkover for Tesreau, who allowed four hits in the eight innings he worked. Yingling and Curtis were touched for fourteen, and were lucky to escape a larger score. ATHLETICS LOSE ONE

Boston, July 4 .- The best the Athleties could do was to win one of today's games from the Red Sox. Boston found no trouble in the forenoon in batting Houck and Wyckoff, and besides they were given no less than ten bases on balls, so that, despite their numerous errors, they rolled up a score of thirteen, while the visitors made but six runs. Wood was very strong at the bat, being credited with two doubles and a single. The afternoon game was much better played. The veteran Plank issued no passes and prevented the bunching of hits. Foster, Boston's pitcher, was not hit hard except in the eighth inning, but was very erratic. Speaker's batting featured both games.
